the official study text for the level I Chartered Alternative Investment Analyst (CAIA) exam. The Chartered Alternative Investment Analyst (CAIA) designation is the financial industry's first and only globally recognized program that prepares professionals to deal with the ever-growing field of alternative investments. The second edition of CAIA Level I: An Introduction to Core Topics in Alternative Investments contains comprehensive insights on the alternative investment issues a potential Level I candidate

would need to know about as they prepare for the exam the information found here will help you build a solid foundation in alternative investment markets with coverage of everything from the characteristics of various strategies within each alternative asset class to portfolio management concepts central to alternative investments uses investment analytics to examine each alternative asset class examines quantitative techniques used by investment professionals addresses the unique attributes associated with the alternative investment space offers an online study guide outlining learning objectives and keywords this book is a must have resource for anyone contemplating taking the caia level i exam so if you're ready to take your first step toward the caia charter take the time to understand the insights offered here

registered investment advisers are accustomed to regulatory scrutiny but the pressure to understand changing compliance regulations and to meet the requirements they impose has never been more intense a range of scandals and abuses from the laundering of terrorist funds to mutual fund trading shenanigans has caused the securities and exchange commission to tighten regulation and step up enforcement unfortunately definitive compliance information the kind that can save advisers precious time and spare them serious trouble has not been easy to find until now the ria's compliance solution book gathers the information needed most and puts it all in one place here advisers will find plain english translations of the rules that regulate such issues as advisory contracts and fees advertising and client communications ria compliance programs and codes of ethics custody of customer accounts completing filing and amending form adv selecting brokers and executing trades

caia association has developed two examinations that are used to certify chartered alternative investment analysts the level i curriculum builds a foundation in both traditional and alternative investment markets for example the range of statistics that are used to define investment performance as well as the many types of hedge fund strategies the readings for the level ii exam focus on the same strategies but change the context to one of risk management and portfolio optimization level ii caia exam takers have to work through the following agenda asset allocation portfolio oversight style analysis risk management alternative asset securitization secondary market creation performance and style attribution indexation and benchmarking

praise for navigating the financial blogosphere navigating the financial blogosphere is the most enjoyable personal finance book i've ever read i read it cover to

cover within an afternoon and i didn t want to put it down it s fresh practical and broad in its topic coverage and should be on the top of every person s reading list russell bailyn is a super talented rising star matthew d hutcheson independent pension fiduciary expert congressional witness on retirement plan economics financial information on the internet has exploded in volume the challenge is to find what s useful and reliable russell bailyn s book does an excellent job of presenting important personal finance topics in a clear and digestible form and pointing readers to a wealth of high quality sources on the internet navigating the financial blogosphere is browsable fun and very useful david jackson founder and ceo seekingalpha com russell bailyn not only explains financial decision making but like a good research librarian he tells you where to go on the for more information you ll want to be close to your computer as you read this book joseph hurley founder and ceo savingforcollege com llc

alternative investments have become the brooding omnipresence of modern finance as such they are at the core of any significant discussion relating to asset allocation risk management and portfolio design the topics outlined and discussed in this text provide a meaningful stop on the road toward understanding the complexities and rewards of these instruments garry crowder director institute for alternative investment education and research sponsored by the caia association the chartered alternative investment analyst caia program consists of a two tier exam process level i and level ii through which you may earn the caia charter the level i exam challenges your understanding of the alternative investment market s tools and terms and tests your knowledge of various trading strategies and performance measurements the level ii exam assesses how you would apply the knowledge and analytics learned in level i within an asset allocation framework caia level ii advanced core topics in alternative investments contains virtually all of the material on alternative investments that potential level ii candidates would need to know as they prepare for the exam a multifaceted assembly of questions and problem solving tasks since the tools and terms introduced in level i provide the basis for the second level of this program the information found here will continue to focus on alternative investments hedge funds private equity commodities and managed futures and credit derivatives but in greater depth and in the context of risk management and asset allocation whether you re a seasoned professional looking to explore new areas within the alternative investment arena or a new industry participant seeking to establish a solid understanding of alternative investments caia level ii advanced core topics in alternative investments is the best way to achieve these goals and the smartest way to prepare for such a demanding exam take your first steps toward attaining the caia charter by picking up caia level i an introduction to core topics in alternative investments

the truth shall set your wallet free is aimed at debunking the myths that prevent people from achieving their wealth goals and the first myth that needs to be bashed is that financial advisors are only for the very rich in fact there are more financial advisors who cater to modest income americans than those who cater to the rich myths propagated by the media regulators and even the financial industry itself harm every american from those at the poverty level to billionaires and everyone in between this is the first time a holistic view of the entire advice market has been written by a non advisor industry insider without bias from any of the financial services sectors
