a highly illustrated look at the inside story of the first version of the iconic vw transporter or split screen

this comprehensive guide is the first one to tell the whole story of the volkswagen bay window transporter produced from 1967 1979 this new paperback edition deals with the transporter s development its technical evolution the model codes the specification detail changes the factory fitted m codes and transporter export using this book bus enthusiasts can crack the codes of their own specific vehicle to find out the factory fitted specifications like paint and trim colours engine and transmission types and even the date of manufacture model and destination code the first guide to tell the whole story of the vw bay window transporter the photographs took over three years to collect from volkswagen archives resulting in an invaluable source of crucial information for restoration superbly illustrated with 470 colour photographs vincent molenaar and alexander prinz are keen experts on bay window buses

a lively authoritative history of the transporter through its first three incarnations between 1950 and 1990 while subsequent chapters offer a detailed year by year evaluation of each generation

a methodical yet lively record of vw s transporter over its first 40 years which presents the vehicle in the same lavish formats of artistry and photography selected by volkswagen over the decades model history and range development outlined including campers specifications including usa terminology and performance discussed with a particular emphasis on marketing and advertising strategies

the volkswagen transporter is one of the best loved and most recognisable motor vehicles of all time the preferred transport for surfers and hippies everywhere the volkswagen type 2 bus was born in 1950 and became the first of a new breed of vehicle the ancestor of today s people carrier available in various versions including panel van pick up and minibus transporters were often converted into campervans for a newly motorised class of holidaymaker this book looks at the development production and use of the class first and second generation transporter with archive illustrations including many colour photographs from old brochures this book is also a great evocation of the 1950s and 60s

the popularity of the vw transporter in particular the early split screen models continues to grow and it has become a cult icon this title brings together the complete history of the split screen transporter produced from 1950 1967

the story of the vw transporter split screen models 1949 1967 tells the story

of one of the most recognizable vehicles ever built

instantly recognized across the world volkswagen s transporter proved a great success from the day of its launch to the world s automotive press in november 1949 its versatility as a workhorse people carrier and albeit unintentionally at first as a camper has guaranteed it a unique place in motoring history while the desire to own one or more examples of varying ages has resulted in escalating values for surviving transporters and not just the earliest of models now the transporter is the subject of this book and part of the haynes great cars series where stunning studio photography combines with archive material and a narrative covering all the key elements in the history of this venerable box on wheels

just as the beetle started a long tradition of volkswagen automotive excellence these are the manuals that created the bentley reputation for clarity thoroughness and indispensability our air cooled volkswagen manuals provide both do it yourself owners and professional mechanics with clear explanations and illustrations detailed service steps and time saving troubleshooting tips in the same tradition as our classic 1961 1965 type 1 manual this manual offers owners of 1960s vintage transporters the long out of print factory repair information indispensable to anyone interested in the history or restoration of the transporter this book includes complete coverage of 1200 and 1500 engines dual circuit brakes and body dimension specifications for all models including those with a sliding sunroof all factory updates are listed by chassis number and date introduced this is the one book no serious type 2 enthusiast should be without

this comprehensive guide is the first one to tell the whole story of the volkswagen bay window transporter produced from 1967 to 1979 it deals with the transporter s development its technical evolution the model codes the specification detail changes the factory fitted m codes and the transporter export using this book bus enthusiasts can crack the codes of their own specific vehicle to find out the factory fitted specifications like paint and trim colors engine and transmission types and even the date of manufacture model and destination code

since its introduction in 1950 the volkswagen transporter has become legendary for its versatility and adaptability to many commercial uses known originally as sonderausfhrungen abbreviated to so these special models were usually converted by specialists companies and coachbuilders approved by vw using archive promotional materials and

period and contemporary photographs this book traces the development and variety of these so and other special body conversions from 1950 2010 across the five generations from t1 to t5

the volkswagen transporter has had a long and worthy career developed alongside the beetle to be a cheap and economical light commercial vehicle it found favor as a camper van with several generations who appreciated its simplicity and roomy interior and the fact that it was just a bit different

transporter with air cooled flat four engines does not cover alternative body or camper conversions produced by specialist manufacturers petrol 1 6 litre 1584cc 2 0 litre 1970cc air cooled does not cover water cooled engines

it would be a mistake to think that only volkswagen s beetle has captured the imagination of the motoring public the transporter or vw bus was designed to incorporate many of the beetle s tried and true features in a capable and roomy commercial vehicle what was a purely utilitarian transport in the 1950s and 60s has become an icon of the 90s as owners rebuild tired transporters for a new generation author meredith charts the full history of the transporter from 1949 to the present

each 96 page hard cover book in the series is 10 1 2 x 7 5 8 and contains color and black and white photos drawings charts and catalog facsimiles each classic model is presented in its historic and developmental aspects

this book contains stowagefactors from the following categories a general cargoes b cooling cargoes c bulk cargoes d ore e sweet oils f roro g containersizes h imdg code segregation i german english dictionary with final categories

convert your own vw panel van to a camper and you ve got the best of all worlds as the author of this manual shows a detailed step by step guide with 1500 illustrations covering every aspect of the conversion you save a fortune learn a lot and get a great recreational vehicle covers t5 models 2003 on

this book celebrates in words and pictures the 60th anniversary of the launch of volkswagen s ubiquitous transporter making full use of volkswagen s archive material and wonderfully staged brochure pictures the author creates an authentic period feel as he traces the development of the transporter through the decades produced in a large and extensive

format this book is a authoritative reference

here volkswagen enthusiast and prolific author richard copping examines for the first time the complete story of the t4 from the transporter concept originated forty years before its presence at vw s hanover factory through its development period and full production life topics covered include the background story 1949 1990 design concept to production in the 1980s full analysis of the t4 s specifications face lifted caravelles and multivans from 1996 onwards petrol and diesel aspirated engines including the vr6 v6 and 2 5 litre tdi the t4 story in the usa the euro van and finally camping conversions the complete story of the volkswagen t4 produced between 1990 and 2003 and the first book in the english language to have been written illustrated and published solely about the t4 beautifully illustrated with 300 colour photographs a sparkling mixture of archive and modern day imagery
