sorted is a successful fresh expression of church based in bradford which has now sent out pioneers using the lessons learnt to begin planting a fresh expression in thamesmead london and begin a pioneering project in nairobi kenya the fresh expressions story has been well told but there have been relatively few attempts to

relate the experiences and methodologies the author and his team have learnt over 10 years of pioneering sorted 3 fresh expressions of church so that pioneers missionaries and the wider church may be better equipped and informed when pioneering fresh expressions mission communities and church plants in a whole range of different contexts relevant and timely this book aims to share these lessons and methodologies using the sorted story

ordained pioneer ministry is a significant and growing presence in the church of england and the methodist church and in denominations around the world here leading practitioners and theologians in the pioneer movement reflect on emerging trends practices and key theological challenges

new christian communities created by pioneer ministers both lay and ordained are popping up everywhere on housing estates in community centres schools and in numerous other places this book fills the gap for a practical guide for all who are engaged in this form of ministry

through the years i have been greatly concerned about the complacency and indifference of many christian workers who struggle to effectively combine their assignment with the schedule of their job career or ministry some persons view their occupation or business endeavour as an escape route from doing church ministry work or as an excuse for doing it haphazardly is has led to a significant decline in the number of souls reached also many lay ministers have lost focus of the assignment of soul winning and discipleship and for many who have managed to keep their zeal alive most do not know how to carry out a lay ministry while maintaining a strong schedule of career and business i have therefore written this book because of the call of the spirit for lay ministers to begin to take their place in doing the work of the ministry as a lay minister you must have the wisdom to stretch yourself and combine your assignment in ministry with the demands of your job career or business at is the benchmark for measuring effectiveness in lay ministry as you read this book it is my prayer that the spirit will impart wisdom unto you and birth in you fresh revelation and passion that will propel you into a greater level of effectiveness in lay ministry

an authoritative introduction on fresh expressions and pioneer ministry fresh combines a serious theological engagement with earthy practicality it offers perspective based on the years that have now passed since mission shaped church

the church is currently experiencing a transition in the way it understands and practises both mission and ministry it is to be outward looking engaging with the wider community involving all its members in mission and clergy are to play the role

of enablers and equippers of the ministry of the whole church however ministerial formation in colleges and courses throughout the country lags behind this emerging consensus theological education is still largely based on academic models reimagining ministerial formation offers a new way forward where ministry comes to be about the whole church and ministerial formation is about collaboration between clergy and laity it argues strongly for a shift away from front loaded training to a new focus on formation as a life long process

anyone contemplating the future shape of the church will find here an accessible practical and prayerful tool for understanding pioneer ministry charity hamilton fresh expressions pioneer and church planter shier jones offers a theological and practical guide for pioneer ministers both ordained and lay and mission minded congregations on how to initiate and support fresh expressions of church drawing on scripture as well as real life case studies she illustrates best practice and highlights the possible dangers in working to transform a god given vision for mission into a reality

in 2004 mission shaped church presented a challenge to church leaders now mission shaped questions addresses the big theological and practical issues that have arisen drawn from a range of anglican and methodist backgrounds the highly respected contributors take an incisive look at church and its future they tackle questions such as what exactly is church can we develop churches that can transform culture can we be mission shaped and kingdom focused too these contributions are an essential read for anyone committed to the future of church and mission

an impressive line up of contributors first asks what counts as a fresh expression and who decides part 1 explores what postmodern ways of viewing the world means for the way churches explore truth and uncertainty and tradition as an evolving rather than a static enterprise part 2 uses real examples to examines who attends fresh expressions and what it incarnational theology looks like in practice part 3 considers the implications for clergy training and whether there is a case for making pioneer ministry a discrete type

this five part group study booklet is for local church communities who are contemplating setting up a pioneering church community but are unsure how to get going it opens up the wise insights and practical know how of dave male s book how to pioneer to the wider church introducing the basics of pioneer ministry to pccs and congregations

what is church what spaces does church occupy can ecclesial space exist beyond the boundaries of church in an interweaving ecclesiology mark scanlan offers a fresh

vision of christian community as constructed for and by participants as potential ecclesial spaces combine to create an experience which we call church drawing in particular on research into the dynamic between youth groups and the churches within which they operate scanlan brings us a distinct approach to the church in mission that can nuance and develop the tired and sometimes flawed thinking around fresh expressions and pioneer ministry combining deep ecclesiology with a practical approach this book will be useful to students and scholars of pioneer and youth ministry and those with a wider interest in how churches operate
