J. Kennedy

collects legendary and controversial works by the mid twentieth century writer including posthumous unedited and previously unseen versions in a comparative anthology that offers insight into the influence of editor gordon lish

in collections such as will you please be quiet please and what we talk about when we talk about love raymond carver wrote with unflinching exactness about men and women enduring lives on the knife edge of poverty and other deprivations beneath his pared down surfaces run disturbing violent undercurrents suggestive rather than explicit and seeming all the more powerful for what is left unsaid carver's stories were held up as exemplars of a new school in american fiction known as minimalism or dirty realism a movement whose wide influence continues to this day carver's stories were brilliant in their detachment and use of the oblique ambiguous gesture yet there were signs of a different sort of sensibility at work in books such as cathedral and the later tales included in the collected stories volume where i'm calling from carver revealed himself to be a more expansive writer than in the earlier published books displaying chekhovian sympathies toward his characters and relying less on elliptical effects in gathering all of carver's stories including early sketches and posthumously discovered works

the library of america's collected stories provides a comprehensive overview of carver's career as we have come to know it the promise of will you please be quiet please and the breakthrough of what we talk about on through the departures taken in cathedral and the pathos of the late stories but it also prompts a fresh consideration of carver by presenting beginners an edition of the manuscript of what we talk about when we talk about love that carver submitted to gordon lish his editor and a crucial influence on his development lish's editing was so extensive that at one point carver wrote him an anguished letter asking him not to publish the book now for the first time readers can read both the manuscript and published versions of the collection that established carver as a major american writer offering a fascinating window into the complex fraught relation between writer and editor beginners expands our sense of carver and is essential reading for anyone who cares about his achievement library of america is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print america's best and most significant writing the library of america series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

the american short story since 1950 offers a reappraisal and contextualisation of a critically underrated genre during a particularly rich period in its history it offers new readings of important stories by key writers including flannery o'connor john cheever donald barthelme raymond carver lorrie moore and grace paley these readings are related throughout to the various contexts in which stories are written and published including creative writing schools story writing handbooks mass market and little magazines

raymond carver who became a master storyteller of his generation and was hailed in europe as the american chekhov wrote of himself i began as a poet my first publication was a poem so i suppose on my tombstone i'd be very pleased if they put poet and short story writer and occasional essayist in that order this complete edition allows readers to experience the range and overwhelming power of carver's poetry for the first time it brings together in the order of their american publication the poems of fires 1985 where water comes together with other water 1986 ultramarine 1988 a new path to the waterfall 1989 and no heroics please 1991 for readers who know carver's middle period only through his selected poems in a marine light 1988 it includes the windfall of 51 poems not previously published in britain all of us is edited by professor william l stull of the university of hartford and introduced with an essay on raymond carver's methods of composition by his widow the poet tess gallagher

no detailed description available for the literary afterlife of raymond carver

the final story collection from one of the great short story writers of our time the philadelphia inquirer features classic stories from cathedral what we talk about when we talk about love and earlier volumes among the masterpieces of american fiction the new york times book review by the time of his early death in 1988 raymond carver had established himself as one

of the great practitioners of the american short story a writer who had not only found his own voice but imprinted it in the imaginations of thousands of readers where i m calling from his last collection includes seven new works previously unpublished in book form together these 37 stories give us a superb overview of carver s life work and show us why he was so widely imitated but never equaled

in the late 1970s a jeff koons art exhibit featured mounted vacuum cleaners lit by fluorescent tube lighting and identified by their product names new hoover quik broom new hoover celebrity iv raymond carver published short stories such as these actual miles that cataloged the furniture portable air conditioners and children s bicycles in a family home some years later the garbage barge mobro 4000 turned into an international scandal as it spent months at sea unable to dump its trash as it was refused by port after port tim jelfs s the argument about things in the 1980s considers all this and more in a broad study of the literature and culture of the long 1980s it contributes to of the moment scholarly debate about material culture high finance and ecological degradation shedding new light on the complex relationship between neoliberalism and cultural life

an acknowledged master of the short story raymond carver 1938 88 excelled at portraying the hardscrabble existence of blue collar workers frustrated and disillusioned by the false promises of the american dream this terrain was well known to carver who long worked at blue collar jobs to support his family and personally struggled with the transiency alcoholism economic privation and despair he depicts so poignantly in his fiction at the same time he overcame these obstacles aided by among others the writer john gardner the editor gordon lish and the poet tess gallagher to become a major figure in the resurgence of the short story and the revival of realistic writing for collections like will you please be quiet please what we talk about when we talk about love and the magnificent cathedral carver won honor after honor including nominations for the national book award the national book critics circle award and the pulitzer prize and with the 1993 release of robert altman s film short cuts carver long known to readers of serious fiction attained widespread public recognition tracing these themes and more is adam meyer s raymond carver which considers more of the writer s fiction and poetry than has any previous book length study writing with luminous clarity meyer delves into the biographical elements shaping the writer s career and probes carver s style and subject matter he then examines the majority of the fictional works organizing his material according to distinct phases in the writer s canon while devoting a separate chapter to carver s poetry of special appeal are meyer s insightful comparison of stories published in multiple versions and his informed discussion of minimalism a term often applied to carver s writings but meyer argues only partly if at all with accuracy

i look at all of carver s work as just one story for his stories are all occurrences all about things that just happen to people and cause their lives to take a turn in formulating the mosaic of the film short cuts which is based on these nine stories and a poem lemonade i ve tried to do the same thing to give the audience one look but it all began here i was a reader turning these pages trying on these lives robert altman in his introduction

the nine stories and one poem collected in this volume formed the basis for the astonishingly original film short cuts directed by robert altman collected altogether in this volume these stories form a searing and indelible portrait of american innocence and loss from the collections will you please be quiet please where i m calling from what we talk about when we talk about love and a new path to the waterfall including an introduction by robert altman with deadpan humor and enormous tenderness this is the work of one of the true contemporary masters the new york review of books

shortly before he died america s laureate of the dispossessed made his own selection from his short stories revised the texts and published them in this authoritative edition the stories in where i m calling from are selected from the full range of the author s work including furious seasons will you please be quiet please what we talk about when we talk about love and cathedral and include all seven stories from his last collection elephant

raymond carver s third collection of stories a finalist for the pulitzer prize including the canonical titular story about blindness and learning to enter the very different world of another these twelve stories mark a turning point in carver s work and overflow with the danger excitement mystery and possibility of life carver is a writer of astonishing compassion and honesty his eye set only on describing and revealing the world as he sees it his eye is so clear it almost breaks your heart jonathan yardley washington post book world

contents wise blood a good man is hard to find the violent bear it away everything that rises must converge stories and occasional prose letters

raymond carver said it was possible to write about commonplace things and objects using commonplace but precise language and endow these things a chair a window curtain a fork a stone a woman s earring with immense even startling power nowhere is this alchemy more striking than in the title story of cathedral in which a blind man guides the hand of a sighted man as together they draw the cathedral the blind man can never see

features a collection of writings across different genres by the mid twentieth century author

musings and revelations about poetry jazz and the rocky course of one poet s life

literature compact 4 e the concise edition of the most popular introduction of its kind is organized into three genres fiction poetry and drama as in past editions the authors collective poetic voice brings personal warmth and a human perspective to the discussion of literature adding to students interest in the readings an introduction to a balance of contemporary and classic stories poems and plays casebooks offer in depth look at an author or clusters of works for example latin american poetry authors joe kennedy and dana gioia provide inviting and illuminating introductions to the authors

included and to the elements of literature coverage of writing about literature is also included for those interested in literature
